Hello and welcome to the ninth edition of Burst Magazine! This issue is in a Postcard format to showcase a collection of twelve designs from some amazing creative talents.

I am aiming to raise funds for the Cambridge Hearing Trust by selling these lovely Postcards, to help provide new equipment for the ever growing Emmeline Centre.

I was born profoundly deaf in both ears and thanks to the Emmeline Centre I had a cochlear implant fitted in 2004 which improved my hearing greatly. This is my way of saying thanks for all their hard work.

I wish you all Season's Greetings!
